# EXPERIENCE THE ULTIMATE IN SCOUTER LEADERSHIP TRAINING

The journey from Leader-Specific Training to Wood Badge is a seamless progression that results in a fully trained Scouter – our BSA youth deserve nothing less. Leader-Specific Training, as the name suggests, focuses on specific leadership roles. Wood Badge takes Scouter training to the next level – this premier leadership course strengthens a leader's ability to work effectively with groups of youth and adults.

The course is designed to give leaders the tools to fully understand how teams function; to know what leadership style is appropriate for various situations; to manage conflict; to leverage diversity; to plan; to communicate; and to understand how to formulate a vision, and make it come to life.

## ***As a result of attending Wood Badge, a course participant will:***

- Acquire a global view of Scouting as a family of interrelated, value-based programs that provide age-appropriate activities for youth.
- Be able to skillfully use contemporary Team Leadership and Team Building concepts.
- Become adept at utilizing impactful Team Development techniques.
- Make use of project management and leadership methods that will unite members of Scouting units through the use of shared vision and teamwork.

If you have dietary restrictions, please be sure to note them on the Wood Badge course application, and inform your Course Director.

## ***Where do I sleep?***

Upon registration, a course-specific gear list will be provided.
